Voluntary assistance

AROUND 30 ACES volunteers provide regular support across a wide variety of tasks. They are an important part of the overall team, particularly in the areas of transport and administration.

Volunteers assist with driving, transport and do a terrific job taking care of the lawns, gardens and general property maintenance tasks.

Herbs, tomatoes and other produce from the substantial vegetable garden at the back of the property are used for cooking and cooking classes on the premises. Volunteers help maintain these gardens and guide those service users with an interest in vegetables and gardening.

Dawn Davies, who manages ACES Outreach and Service Development, hopes to recruit more volunteers to

assist with her growing "TO DO" list. If you can spare some time, please contact Dawn on 6581 2348 or email dawn@acesincorporated.org

How you can support :

- Financial assistance towards special projects, including a 'facelift' for the Sport and Recreation Club, which needs paint, specialised toilets, etc.
- Suggestions for additional locations and venues for visits, volunteering, paid employment and work-like experiences.
- Contributions towards fitting out the new sensory room.
- Time as a volunteer.
