

# Choice, acceptance, inclusion and community engagement for everyone.

**ACES is a non-government, not-for-profit, community organisation based in Port Macquarie. Our key role is to provide programs and service for adults with a disability.**

Service users enjoy a wide range of resources including friendly, well-trained staff, specialised equipment, free transport and strong, positive connections with our community.

Flexibility and personal choice are at the centre of everything we do.

Our programs and services allow *you* to choose the support you want & need in a location that works for you, including:

- ☑ transition to work programs(TTW) which help young people with disability move from school to work
- ☑ day programs and activities
- ☑ clinical services and referrals
- ☑ independent living skills
- ☑ carer support.

We listen to you, share information and work *with* you to get the most from your funding or program.

The best way to find out more is to come and see for yourself.

**Phone Kathy on 6581 2348 today.**

*ACES respects and acknowledges the traditional owners of this land, the Birpai people, its elders past and present, and all Aboriginal people.
